Vision

The visionary and charismatic leader for Central Pointé Church of Christ, Dr. Rodney D. Dulin first served as its Assistant Minister in 2001. Since his installation as Senior Pastor in 2006, Dr. Dulin thrives on empowering and edifying the saints.

As a leader, Dr. Dulin has overseen the completion of a number of projects within and outside of the complex, including the Children's Worship Center, named in honor of his late father. This highly visible 55,000 square-foot complex can be seen from I-20 and continues to impact the community through outreach efforts and community involvement.

A native of Dallas, Texas, Dr. Dulin is an avid sports enthusiast who enjoys traveling, studying God's word and working with young people. He also enjoys nurturing the ministries of the church and watching the people of God mature in their purpose. He always says, "There's a spot on the team for everybody, you just have to get off the bench and get in the game!"

Dr. Dulin

Dr. Dulin graduated from Southwestern Christian College with an Associate of Arts degree in 1993. He earned a Bachelor of Business degree in Administration from the University of North Texas in 1997. He is a graduate of the Southern Bible Institute and in 2007, graduated Cum Laude with a Master of Arts degree in Christian Leadership from Criswell College. He has an earned Doctorate Degree in Theology from Andersonville Theological Seminary.

He is recognized as a dynamic man of leadership, integrity and compassion. His friends describe him as "a serious student of the Bible." He was instrumental in developing a leadership class for men, "Iron Sharpens Iron" whereby they are empowered through God's word to become leaders within the church, their families, and their community.

Family

Dr. Dulin and his wife, Shaloda are the proud parents of two children: Mia Aerion and Roman Dylan.

Together they minister to the masses and seek to build strong families.

Each year, Central Pointé serves as the site for many conferences and summits. In the course of these events, many are blessed and empowered to change their lives and move forward. Through this ministry, people are discovering their destinies and learning that there is a place in the kingdom for all of God's children and that regardless of their past, God still extends His grace and love.

Dr. Dulin and Shaloda have authored *Fix My Marriage*, a 2019 book that expertly uses Biblical and extremely practical principles to help you allow God (the Master Contractor) to give your home, your marriage, and your family an extreme makeover!

*“For I know the plans I have for you, declares
The Lord, plans to prosper you and not to harm
you, plans to give you hope and a future.”*
